

**Glenn R. Hennessey**

Glenn R. Hennessey, 68, was surrounded by his wife and daughter when he passed peacefully at home from prostate cancer on Feb 19, 2021. This obituary was supposed to be funny, as Glenn intended to write it himself, but cancer had a different plan and moved quickly. Glenn and his family moved to Phoenix from Chicago, Illinois in 1966. He attended Gerard High School, class of 1970, and during his senior year, he met his High School sweetheart Mary Jo Morris. They married on Jan 12th, 1974. Glenn was known for his unmeasurable kindness, his off-beat sense of humor, honesty, and sense of fair play. He is survived by his wife, Mary Jo; his daughter, Kate Hennessey; his brother, Mark Hennessey; his sister, Mary Becka; and many nieces and nephews and grandnieces and nephews, that he loved very much. Celebration of life services will take places at a later date when we are able to gather with loved ones and friends.
