

Nunez quits at Gerard

Coach Johnny Nunez, for the past eight years head football coach at Gerard High School, has resigned.

Nunez had coached varsity basketball, baseball, track and golf in addition to football. In 1966, his grid squad was tri-champion of the Class A Central League. This season the Redcoats finished second in the league with an 8-1-1 record.

Nunez indicated he had no commitments and expects to seek a position in the education-athletic field for next year.
